Seven leading MLSs in Northern California continue to evolve their data sharing collaborative to ensure real estate professionals have the greatest access to MLS data in and near the areas they do business. By creating the NorCal MLS Alliance, real estate professionals and their clients have the most comprehensive access to listing data in Northern California.

As technology has improved, so has the ability for MLSs to share their listing data.

Within the NorCal MLS Alliance, a real estate agent does not need to belong to multiple MLSs to list and sell properties outside their MLS geographic areas. The advancement in technology allows for real estate agents to sign into their local MLS system to enter listings and search data covering 26 Northern California Counties.

The NorCal MLS Alliance covers the following counties: Alameda, Amador, Butte, Colusa, Contra Costa, Marin, El Dorado, Mendocino, Merced, Monterey, Napa, Nevada, Placer, Sacramento, San Benito, San Francisco, San Joaquin, San Mateo, Santa Clara, Santa Cruz, Solano, Sonoma, Stanislaus, Sutter, Yolo and Yuba.

As more and more MLSs sign on to the NorCal MLS Alliance, the MLSs served by the Alliance will continue to grow and benefit those real estate professionals who list and sell in participating counties.
